## Two-Year Colleges: Associate Degree Preferred!

Do you know that over 45 percent of all undergraduate college students begin their studies at a two-year college? Two-year colleges offer:

- Academic Excellence
- Quality Faculty and Staff
- Affordable Cost
- Classes Close to Home
- Variety of Programs
- Outstanding Support Services (Financial Aid, Counseling, Tutoring, etc.)
- Personal Attention
- State-of-the-Art Equipment and Facilities
- Caring Environment
- Small Classes
- Collegiate Environment (Student Clubs, Activities, and Sports)
- Ability to Transfer Credits
- Programs Accredited by North Central Association of Colleges and Schools

Ohio's two-year college system is made up of 23 state-assisted and locally autonomous technical and community colleges. In 2003, over 160,000 students enrolled in college credit courses at these institutions throughout Ohio.

Two-year colleges consist of three types: technical, state community, and community. Technical colleges provide hands-on education in a specific field. Many technical college graduates transfer to baccalaureate programs. Both state community and community colleges offer technical programs and university parallel programs providing students with a variety of options.

Students who choose to begin their college careers at a two-year college cite quality of education and reasonable cost as the main benefits. Completing the first two years of a bachelor's degree at a two-year college can save the student several thousand dollars. A variety of technical, career-oriented degrees offered by two-year colleges can lead to employment immediately after the student completes his/her associate degree.

This guide provides an up-to-date directory of programs and services offered by Ohio's system of technical and community colleges. We hope you find it helpful!

## Belmont Technical College

120 Fox - Shannon Place, St. Clairsville, Ohio 43950-9735

Profile: Located approximately 15 miles west of Wheeling, West Virginia, on I-70, Belmont Technical College draws students from six Ohio and five West Virginia counties. Classes are also offered at North Center, Cadiz, Ohio.

Accreditation: North Central.

Admission Phone: 740-695-9500, Toll Free 1-800-423-1188, North Center 740-942-2222. Fax Number: 740-699-3049. Email: info@btc.edu. Web Site: www.btc.edu.

Enrollment Information: In the Fall of 2003, a total of 1,752 students enrolled. There were 580 part-time and 1,172 full-time students. All of the students commute to campus. The average class size is 21.

Academic Calendar: Quarter, rolling admission.

Degrees Offered: Associate of Applied Science, Associate of Applied Business, and Associate of Technical Study.

Transfer Module: OBR approved.

Admission Requirements: Completion of ACCUPLACER after application, but prior to registration. Certain programs may have additional requirements. ACT scores allowed.
